ABOUT US.

As a professional staffing firm, Gain Talent is dedicated to meeting the needs of our clients and candidates by connecting the right people with the right company. We provide permanent recruitment services specifically for finance, accounting and marketing professionals. By working across a variety of industries we are able to provide unparalleled recruiting solutions that are tailored to your specific needs.

We strive to build long-term strategic relationships with every client and candidate that we serve. We will work hand in hand with you throughout the process in order to fully understand your goals and help you achieve ultimate success.

CLIENTS.

At Gain Talent, we focus on building long-term relationships with our clients and make it a priority to get to know your company, its culture and what it takes to succeed there. We are committed to forging a partnership between our clients' needs and our candidates' desires.

As you know, finding talented staff can be a lengthy and demanding process. You are unable to devote your time and expertise to a full time search because you are busy focusing on your core business. By utilizing our services we can help shorten your hiring process and provide you with the elite professionals that you need.

We work on a contingent basis to provide the most qualified candidates for your roles. Once we fully understand your hiring needs we will present you with a select group of candidates that we have thoroughly screened. We will continue managing the entire interview and selection process until the position has been successfully filled.

Gain Talent understands the challenges you face in locating and securing top talent. Let us become your recruiting specialist of choice and meet your staffing needs.

CANDIDATES.

At Gain Talent, we are dedicated to establishing a long-term relationship with each candidate. The commitment we have to our candidates is just as significant as our relationships with the clients we serve. We work closely with you to develop an in-depth understanding of your professional goals, your expertise and personal style to ensure we present you with the best opportunity. Taking the time to get to know our candidates allows us to make the right match and be your advocate throughout your career.

We want your experience with Gain Talent to be optimal, which is why we believe in continuous communication throughout the process. Expectations will be set from the start to ensure all your needs are being met. We will also keep you regularly informed as new opportunities become available.

In order to help you find that ideal job we will provide assistance with resume writing, interview preparation, search strategies and update you on job market trends.

If you are ready to elevate your career please submit your resume and we will contact you to further discuss how we can help you.
